Dear Mr. Roth and Mr. Lissner:

On behalf of Judge Anthony Trenga, the Chair of the Judicial Conference Committee on Financial Disclosure, thank you for your letter of February 19, 2019. You requested that all reports filed by U.S. Supreme Court justices, circuit court judges, and district court judges be uploaded to a judiciary website, in addition to the release to the public by request on electronic storage devices, as is the current practice. In addition, you requested that the reports be released in PDF format instead of the TIFF format that is currently used.

Judge Trenga has referred your letter to the Judicial Conference Committee on Financial Disclosure. The staff for the Committee on Financial Disclosure will contact you if the Committee has any questions. Thank you.

Sincerely,

Laurina Spolidoro
Counsel, Committee on Financial Disclosure
