Dear Chief Judge Wood:

We, the undersigned, are a former U.S. senator from the state of Wisconsin and the executive director of Fix the Court, a national nonprofit that advocates for greater access to federal courts, respectively.

We write today to urge the Seventh Circuit to make a video recording of the September 6 argument in 19-1835, *Planned Parenthood of Wisconsin, Inc., et al., v. Joshua Kaul, et al.*

We believe that the public's significant interest in the constitutional issues presented in this case merits such a recording and that the public would benefit from direct, unfiltered access to the argument via video, which the Seventh Circuit has provided on previous occasions for closely watched arguments.

Thank you for considering this request.

Sincerely,
Russ Feingold
Former U.S. Senator
