

Supreme Court Justices' Activities from Jan. 2018 to Sept. 2022 With Coverage (Or Not) from the U.S. Marshals Service

Activities Jan. 1, 2018-Mar. 12, 2020: Copied exactly from SCOTUSMap

Activities Mar. 13, 2020-Sept. 30, 2022: From press reports and FTC research

Key:

[**Bold and square-bracketed**] = a newly discovered activity, i.e., one that neither FTC nor SCOTUSMap had identified prior to FTC receiving the latest batch of FOIA documents from USMS in Dec. 2023

Indented and numbered = a trip FTC knew about thanks to SCOTUSMap (2018-2020) or our own research (2020-2022); if also **bold**, then there's a USMS coverage report in the new FOIA documents

Italic = D.C.-area trip, i.e., the expectation is that a member of the Supreme Court Police, not subject to FOIA, accompanied the justice

Yellow = a justice had events back-to-back, and the yellow-highlighted one was implied but not identified by name in the documents

Red = a justice was double-booked, and there's no clear indication where he or she actually was on those dates

Gray = after receiving the FOIA documents, FTC went back through the justices' disclosures and found several events that SCOTUSMap had missed; i.e., they're not completely new and aren't counted toward the "new" total

{Curly-bracketed} = a trip that was in a justice's disclosure but had no USMS coverage

lvpre = likely vacation and/or private events

ah = airport handoff

pev = public events that SCOTUSMap or FTC had missed over the years

2018
