VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

1) Part I

"Trust #1 is an "unfunded trust" whose sole asset is a term life insurance policy.
A relative died in 2023, and another relative inherited securities from the estate or held securities as an executor of the estate. Some of these securities were liquidated at the end of the year on behalf of the estate, but in an abundance of caution I've included them and noted the dates on which they were subsequently liquidated on behalf of the estate.

Part VII, line 9 is a stable value fund that is part of a retirement plan portfolio with Fidelity and that invests principally in high quality Treasury bonds
