VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Note 1:The "audit" feature advises me that I should list the assets of the entity of which I am a trustee. I am assuming that this is not true when that entity is an educational institution, and the audit has simply detected the term "trust" in the item. Otherwise, this requirement is ridiculous, and I cannot comply with it.

Note 2: I was the sole beneficiary of this trust, and all of its assets are included in the body of this report. As of the end of 2024, the trust was dissolved.

Note 3: I attended these two conferences at my own expense. I report them simply because, since I was in attendance, I can imagine someone accusing me of not reporting reimbursement, which, of course I did not get. And I like to make it clear that I have a right to attend these conferences; my attendance/participation is at my own expense and in no way can be portrayed as compromising my ability to be impartial and objective about issues and aprties that may come before me.
