VIII. Additional Information or Explanations

ADDITIONAL INFORMATION OR EXPLANATION

Re: Part II: The agreement regarding the Wisconsin Department of Employee Trust Funds commenced in 1997, when I began employment as an assistant district attorney for Milwaukee County and continued as a state circuit judge. I receive a monthly retirement annuity as a result of my state public service. The annuity is composed of "core" and "variable" payments. I have no knowledge of or control over the investments that fund the annuity or what investments comprise the "core" and "variable" components.

Re: Part V: The Union League Club of Chicago is a social and civic association with dining and athletic facilities located near the Dirksen federal courthouse in Chicago. The Club offers guest privileges to federal judges. I became a member of the Club with federal judicial guest privileges effective July 1, 2018. For those privileges I paid monthly dues of $200 per month for the months of January-June, 2024, for a total of $1,200, and I paid monthly dues of $220 per month for the months of July-December, 2024, for a total of $1,320. The total dues I paid for 2024 was $2,520. The yearly dues for full club membership for the same time period was $439 per month for the months of January-June, 2024, for a total of $2,634, and was $470 per month for the months of July-December, 2024, for a total of $2,820. The total dues for full club membership for 2024 was $5,454. Members of the federal judiciary who have federal judicial guest privileges with the Union League Club of Chicago may not hold office, may not serve on committees, and are not entitled to vote. Judges with these guest privileges pay for food and athletic facilities on the same basis as club members.

Re: Part VII: I have no control over the selection of the individual assets in the IRA-Northwestern Mutual Account Portfolio-Aggressive Growth. I only have the ability to select an investment objective.
