VIII. Additional Information or Explanations

	ADDITIONAL INFORMATION OR EXPLANATION
1.	Several of the mineral interest leases could, and probably should, be removed from the report in that there have been no royalties paid by them in recent years. See lines 13 - 15. They are being left in for historical purposes and transparency. IShares Trust Edge Fixed Inc. has been deleted from this report as it was erroneously reported on 2024 report. Revised from the 2024 report, Dow, Inc. is independently identified on line 24, as it has been separated from DuPont (Line 9).
