VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value.

For ease of future reporting, Part VII of this report has been reorganized by account, in correspondence with related brokerage statements. As a result, more than one entry in Part VII may correspond with a single entry in the prior report. This is not indicative of reportable transactions.
