VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII: The statements received from the BlackRock 529 Plans did not provide any income information for two of the funds: College Enrollment Option A and College 2027 Option A. In addition, the statements from the two Ohio Public Employees Retirement System (OPERS) accounts and from the Ohio Deferred Compensation account identify only "gains/losses" and do not separately list income (such as dividends) apart from this "gains/losses" figure, which includes fluctuations in market value. So the income lines are left blank for these investments in Part VII(B) according to page 45 of the general filing instructions. Lastly, OPERS changed all of the funds for its defined-contribution plan on March 11, 2022. The funds that I owned at that time were automatically transitioned into the new funds that OPERS selected. I have listed these changes in the relevant lines that identify the OPERS assets in Part VII.
