VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII: The statements received from the BlackRock 529 Plans did not provide any income information for two of the funds: College Enrollment Option A and College 2027 Option A. In addition, the statements from the two Ohio Public Employees Retirement System (OPERS) accounts and from the Ohio Deferred Compensation account identify only "gains/losses" and do not separately list income (such as dividends) apart from this "gains/losses" figure, which includes fluctuations in market value. So the income lines are left blank for these investments in Part VII(B) according to pages 74-75 of the general filing instructions.
